

Николаева Е.А. A Set of Activities for Essay Writing

Послан Николаева Елена Анатольевна - 27.01.2013 14:27

This set of activities provides some practical advice on organizing preparatory work for writing task C2 of Russian State Exam. All the tasks were designed according to the methodological framework from controlled to guided and free writing. The suggested activities can be used by teachers and students who are seeking for ready-made samples for training. It offers a pack of writing techniques which can be easily adopted.
