My Mother

My mother is the in the world She warms me when I am cold, She calms me when I cry, She helps me when I try, For her I am the dearest creature, She loves in me every feature. She is happy when I succeed, She can forgive me all I did For her I am the dearest in the world Thank you, my mother, for your all! Who loves children, good and lazy? If I am ill she's simply crazy. She sings songs and tells the story. She is never sad and boring. She makes cakes, And wash dishes. Irons, cooks and fries the fishes Clean the rooms. Takes care of us. So everything she does! To my mother words are such:
