My dear, pretty mummy
I love you very much!
And no one suppose
Can be as you my dear, such!

You gave the birth to me and my brother
My dear, smart and lovely mother!
You teach us to be honest and right,
You tell us mummy dear that life isn't so bright.

I'll always remember the warmth of your hands,
We are so great, close and helpful friends!

Your fairy tales made me quickly to sleep,
and wonderful songs made quiet me quick!
Your tasty dishes, soup and cakes,
Make me eating them without fakes!

Who can be prettier, kinder than you?
You are the only one, there couldn't be few!

My dear mummy!
I want you honey
To live too long!
To be with us
and be too strong!
I wish you happiness and wealth!
And always have the brilliant health!
