My Dear Mother.

My Mum's a bright, pink flower  
Full of joy and care,  
She saves me every hour  
From boredom and despair!

I adore her careful hands,  
Her soul, kind and sunny,  
I love her as she understands  
All words I say, my Mummy!

Together with my Mother  
We embroider, sew and knit,  
She wishes no evil,  
She gives me all her wit.

My Mother's heart is very hot:  
It's vibrant, patient, weeping...  
Her pretty eyes, when I was young,  
Didn't know too much sleeping.

You are the keeper of the hearth,  
You're our stronghold,  
I'm grateful so much for love,  
My Mum, you are my gold!

My Mum, you are the whole world,  
A gentle, lyric verse,  
You are the sweetest melody,  
You are my Universe!!!

I like the way you describe and compare your mother with "the whole world", "a bright pink flower".  
Good luck in the contest!
