When you become a mother

When you become a mother

The whole world changed for you.

About Mom. How thankful I am to you!

For your kindness, for kindness and love.

I'm not obedient and obstinate,

But you forgive again and again.

I was shaking a little,

You shed so many tears.

I wish now, for every tear

Which, for me, you dropped her

And for gray hair

I want to apologize.

It took so many years,

But you forgive me.

And so, for all these years

I want to make up time.

What would you not drop

The tears that have been happy.

What would your daily

Was illuminated by a smile and happiness.

I want to wish you all your heart

Love, luck and health.

And that would be with you every day was

Happier, more beautiful and wiser

And what would your smile, mom illuminates all.

Sorry, sorry, sorry, honey.
