ABOUT MY MOTHER

More beautiful smile I wouldn't have found,
If I had looked at the world around,
I wouldn't have seen more beautiful face
And eyes so bright, and love, so great!

The kindest smile I wouldn't have found,
Even I had looked at the world around,
I hadn't been touched by the most tender hands,
Oh, my dear mother! You are my true friend!

If it had been possible I've given you all flowers,
That I would have found in the world around.
Be always charming, don't frown your face,
The sun of my heart! My love is so great!
