Mom.

What does this word mean?

Love, hope and support ...

You say to yourself.

But someone will say,

I do not know the answer.

You should not judge him.

Mom - this is the only person

Who always understands you,

Always for you,

Always listen and tell

How to behave.

Mother, she is the one I taught you everything,

The one who gave you life,

That thou shaltIs required for life.

Mom, this is the man who will help

Who will protect you.

The one in front of which all life

You'll be in outstanding debt.

No, no, nothing against you, I can not say.

Because you, my mother, the only one

My own people.

Mom, how much it means

This word for me.

Mother, through tears, whispers

I always pronounce.

Mom. Mom. Mom.
