Переделанный вариант

I love my mother

My mother is very nice.

She is not ice.

I am her son.

She is my sun.

My mother is not a house wife,

She is smart and fine.

She is my rose,

I kiss her nose.

My mother has pure soul.

She is my flower.

She likes to sew.

It is cool so.

Mother, my dear,

Tell me a fairy-tail.

You are tired today.

I am with you again.

My dear, dear mummy,

I love you very much!

I am very glad.

I am not sad.

I miss my mother.

I kiss my mother.

I love her too.

And what about you?
