SONG FOR MOMMY

I love my Mommy and she loves me,
She helps me grow up like a mighty tree.
She's kind and clever, she likes to fun,
She's warm as sea and bright as sun.
She has green eyes and golden hair,
She's like a breath of freshest air.
When I was ill – my Mom didn't sleep
And I could feel her lips on my cheek.
When I became a winner –
I saw her jolly smile,
I'm only a beginner –
My Mom's the best friend of mine.
She likes small birds and flowers,
She likes to tell the truth.
My Mom has too much power –
She's my Fountain of Youth!
