My mother

I love my mummy. She is kind and funny, She is look after my health, And she always can help.

I also help my mother Another and another: I help my mother set the table, Cut a fruit and vegetables, I washing a dishes, I shop and I buy, I happy on water, On soil, on sky...

My mother is better, My mother is loving, My mother is smart And my mother is caring!

I love my mother very strongly -She for me a very only. I love my mother tender, brightly -Because my mother very friendly.

She is beautiful and clever, She and L...and I forever!
