Mother`s Day.

I love my mother very much,

She looks like brightly sun.

And I am sure that it is such

A good day to congratulate my mum.

“Dear mum, I love you!

You are very kind.

And if you have a problem

You say “Never mind”.

Mummy, mummy,

You always help me.

All these problems will be solved

And I know it, but it`s cold,

Because Mother`s day in autumn...

In Mother`s day

I wish you:

Health`s good,

Funny fun,

Happy mood

And sunny sun.

You are friendly,

You are helpful,

You are lovely,

You are tactful.

Mummy,

You are so nice!

And only for you

This tea with ice.

Mother – you are the best!

And you deserve a day with rest! http://tea4er.ru/images/fbfiles/files/Pechalnova_AS_Mothers_Day.rar
