The meadow is full of sunlight
I walk through it as I might
A lot of daisies look at me
I'll bring them to my lovely Mummy
To the river I'll go
And bring you, Mum, a rainbow,
Which is hanging over the river
Whose waters are fresh and clear!
And I'd like that every thing
To my dear Mother bring
All the flowers and the sun
All my love to you, my Mum!
Live in love with all of us
Let the clouds and trouble you'll pass
The smile will be instead of sad
On your face. We wish you that!

Nice poem but you should write 100-300 words in the poem. It is the requirement of the competition! You have 97 words.

Your presents are really nice - daisies, rainbow and the sun. Don't forget to bring your love to your dearest mother. Good work!
