Talking about mum

Talking about mum

From a pure heart,

In simple words

Let,s friends,

Talk about your mother.

We love her,

As a good friend.

For what we have

With her all together

For what, that when

We have to tight

We can shed a few tears

The native shoulder.

We love her

That sometimes

Become stricter

In wrinkled eyes,

But with a confession

Come head –

Wrinkles will disappear

Off the storm.

For what, that always

Without reserve and right

We can trust

Our heart.

And just for what,

That she is our mother

We warmly and tenderly

Love her.

I love you, my mother,

You are the best in the world.

For me you are now

And you will be always

My Teacher, my Friend

And my God.
