Mother

Her love is not a poison at all
She loves everybody whether you are old or small.
She looks at us with proud and joy
Nevertheless you are a girl or a boy.

She's like a gentle angel at night
Your dream protects as she might
She is a real hero of me
We never enemies will be .

And I can give you a world
My Mother is the best all over the world.
She can explain me every thing
The love to her is my only feeling.

All grown-ups and children should know
That Mother will take away all troubles and so
She'll save you from misfortunes as well
As she's done it for many years I should tell!
