Тулетова Гаухар

9 класс

СШ №39

г.Актобе, Казахстан

учитель Мусаева Гульзада Абдижамикызы

Another time, another day

Another time, another day is gone,

And I know that I'm not alone.

You said never lose heart and don't cry,

You said I must work hard and try.

My lovely mother you are pretty,

And I want to say thank you.

I thank God when I wake up in two times,

Therefore, always try to make everything nice

I can't imagine life without you,

And I'm sorry I rarely say I love you..

Your burdens I will bear,

Always be with you here.

Tell me your secret wishes, I will be Jean,

Believe me dear mom I will do your dream.

I promise all my work will be clean,

And also all is pure on the life to win.

You are my heavenly golden key,

Only for your health, and happiness I pray.

Only for you my congratulation today,

From this moment I will say it day by day.

My goal is to be the pride of your heart,

We have never and will never be apart.

I want to say, my dear mom, I love you!

Owing to you my dreams will come true.

Now my inspiration and Muse it's you.
