The day is coming, Mother`s Day.

In golden autumn I try to understand...

Why my mother is so sad today.

The leaves are falling from the trees...

The day is coming, Mother`s Day.

And autumn ending is,

And I think that I should be mor kind

Although around people become so blind.

And I bought beautiful flowers,

Ago a couple of hours,

And golden is all around,

And leaves are lying on the ground.

The day is coming, Mother`s Day.

I try to give my mom a present.

I try to make her smile,

To make her smile speak I while.

I love my and mom and it is very day,

When can I give her the greatest pay,

Only few words: «I need and love you!»
