MOTHER

Mother... How wonderful is the word.

Mother... This is our first in our life word.

Mother... She always keeps our hardships away.

The time really came to say:

"We try to thank you for your deeds.

We try to do everything for your needs.

Not always have we time to thank you.

Because our life runs very fast."

The time is hard. We need your help.

We need your arms. We need your word.

It helps us in a difficult case. And this is not a simple phrase.

We don't often tell you about our love. And now the time has come:

" Be healthy, be wealthy, be always with us, Our Dear Mothers!"
