Who showed me the world,
Not sparing their strength?
And always watch over?
Best in the world MOTHER.

Who in the world all the sweeter
And his warm warm,
Loves more than himself?
This is my darling.

Read books at night
And always understand everything,
Even if I'm stubborn
I know, I love my mom.

Never discouraged,
What do I have, knows.
If, all of a sudden happen drama
Who will support? My mom.

I walk the walk,
But my legs were tired.
Jump over the pit
Who can help? I know - my mother.

Who can help? Someone tell me?
Who will give good advice
Best mom in the world!
The closest person!
