«For my dear Mommy»

Mom is the word,
It's a word from a lullaby,
It's the most beautiful as a sun in sky,
And it is the truest as a sword.
Mom!

How can I tell you about all my love to you?
You are the greatest happiness for me
And I will always it see,
You are as if from fairy-tales,
And seem of full of magic breath,
How much you have so softly tender and heartiness warmest kiss!

Oh, dear Mom, my love, my darling -
You are as honey or chamomile is coming,
What will I wish to you don't know,
But still express my feelings so:
"I wish you joy and happiness,
And peace, good luck for all the years,
That warmest heart won't torn to pieces,
My dear, dear Mom!
I give you all my sweetest kisses!"
