Послан Горобец Юлия Сергеевна - 24.12.2012 15:19

Горобец Юлия 8 класс МОУ "СОШ с. Широкое" Татищевского района Саратовской области учитель: Чертова Л.И.

Mother's Day

My mummy is very polite, Honest, frank and kind. She is gentle and sympathetic, Always fit and even athletic.

She has a pretty lovely face. She's full of beauty and of grace. Her smile makes my spirit bright When she sings for me to night

She can a lot of things to do: To sue, to knit and to cook too. She can sing, read rap and dance. She's won a gold prize in sport once.

We like playing games together, Walking, jogging in different weather, Watching films, enjoying art, Listening to music with a sinking heart

Putting flowers on the table She makes the house fashionable. What I'd like to say today Is "Happy, happy Mother's Day!"
