Mother's Day

My mummy is very polite,  
Honest, frank and kind.  
She is gentle and sympathetic,  
Always fit and even athletic.

She has a pretty lovely face.  
She's full of beauty and of grace.  
Her smile makes my spirit bright  
When she sings for me to night

She can a lot of things to do:  
To sue, to knit and to cook too.  
She can sing, read rap and dance.  
She's won a gold prize in sport once.

We like playing games together,  
Walking, jogging in different weather,  
Watching films, enjoying art,  
Listening to music with a sinking heart

Putting flowers on the table  
She makes the house fashionable.  
What I'd like to say today  
Is "Happy, happy Mother's Day!"
