My dear mom, I want to congratulate you now.

You are my best friend in this life,
You are always in my mind and heart.
I can talk with you about everything in this world,
And you can always understand the problems of my soul.
I want to see your pretty shining eyes.
I don't want to wipe them when they cry.
Mommy, I just want to hear sweet words from you,
And I want to say them to you too.
I want to see your amazing smile,
And I want to hear your provocative laughter all time.
Mother, I like when you joke,
And I like when we walk.
I like when you sing,
I know your favorite season is spring
And you love Englishman Sting.
I adore your wonderful features,
They are beautiful as famous pictures.
I like that you can be different,
And you are stylish on every event.
You can wear a bright dress and high heels,
And you like a pair of old jeans.
Sometimes we can argue,
Although I must hold my tongue.
But mom, you should know your child loves you so.
And, my dear mom, I want to congratulate you now.
