Queen of my light!

Meaning of all this land!

My sun, my day and night!

For you this song goes out

My past ,dream and my life!

Dear Mom!

I'll thank you forever,

For everything you did to me ever .

For unsleeping you at night and enduring my cry,

I'll be more unusual clever for your try.

For enduring endless requests in the first grade ,

And giving me your care , in the winter your hate.

I'll remember it all , Queen of my throne,

Also for hiding me from each rain ,under your blade.

The wise man said:

“The bird in the hand is worth two in the bush”

But I'm proud and happy for thing that me made.

I have even a bird ,even a shadoof ,you are my push!

I'm grateful for the chance to have a father,

That can't give to me other.

Also for my lovely ,beautiful sister,

What I think that's my little mystery:

To have a family ,

And be your little baby.

To feel invisible connection ,what

you set between us , my only Lady!

My Pursuit of happiness!

Fighting with my sadness.

I wish you every ,every good

And not to know the word like weariness!
