I love you, my dear...

This poem is about love,
About someone like a dove,
About someone making dreams
Come true and never breaking it.

You was with me when I was born
You gave me body, gave me soul.
And when your eyes enriched with smile,
It makes me happy because you're fine

I miss you mom, when you are far
Because for me you're like a star.
And in the darkness you are sun
You care of me, oh thanks you mom

And I will love till the end
Because you've never left my hand.
You are essential in my life.
You are the best and I shall try
Not to upset you...

Oh, thank you very much))) I don't think it is the best poem, but my mothers birthday will come soon.
That's why I wanted to congratulate her. I'm very glad that you liked my poem :))
