When September comes
I remember to forget August evenings
That I spent all with you.
When October cries
I remember not to cry
I'm strong, I'm with you.
When November's gone
It's the same, we're together still.
Winter will begin.
Nothing means.
Always and in spring
I love you.
Dear, dear Mum.
What's up with you?
Why do you forget
To remember days
When I was a child. I'm a child then.
Years are passing by
We are together still.
Nothing will take us apart
Nothing ever will!
When July is gone
Warm days fade away
Trees will change their coats
We yet feel in air May.
May, eternal May
Lives in our hearts.
August evenings parties
Kitchen talks and joy
One more dawn's rising.
It's past night new Autumn quarter.
When September comes
I'll be still your daughter.
