My mother`s day.

My mother is my real friend And any our quarrel is an awful event. My mother`s heart is not cold, She is the best in the world!

She is magnificent and clever, And my mum is angry never. She is as lovely as a dove, And I do appreciate her love.

She taught me to be good, And all the reasons I understood. My lovely mother, my mother, dear, You are wonderful and clear.

To tell the truth, I have a fear, That one day you won`t be near. But now, when I make a wish, you every time appear. My love to you is as strong as a knife, You are my meaning of the life!

Well done! You/ve written one of the kindest poems about your mother! Take care of her!
