Don't forget your own Mothers

Don't forget your own Mothers

Even if you have no time,

Firstly think of them, not others

Come to see from time to time.

Don't forget your own Mothers

'cause they wait for you and cry

When you give her bunch of flowers

On Mother's Day you greatly try.

Don't forget your own Mother

At the weekend and weekdays,

Spending much time with each other

Only see her and amaze.

Don't forget your own Mothers

She worries and sometimes she's sad,

She smiles while looking at your flowers

But silence makes a lot her mad.

This autumn day has come, November!

Forget your problems and a vital casus,

Go to your Mum with flowers and remember!

Never forget this Day, your own Mothers!
