Today's an amazing holiday!

Today's an amazing holiday!

It's happy Mother's Day!

All mums are given flowers,
Aromas, sprays and other things.

I guess what presents would

My mummy's packs include?

Well, jewelry as necklaces and ring

As usually my aunt and uncle will bring.

A new CD with favorite her band

By mother's brother will be sent.

Her loving husband and my dad will buy
a gorgeous roses' bouquet.

I bet my mummy will be so glad

To get my present –not-to-forget.

My gift be sure will be very cool!

A lot of foam in the morning pool!

And bright balloons under the ceiling

Will tell her all about tender feelings.

And she will tell me "I love you"

And I'll reply "I love you too!"

...No need to add some other words and comments

To so warm and gentle this Day moments!
