The world has a very important holiday

The world has a very important holiday

This celebration was called Mother's Day.

It is celebrated in different ways,

In different countries on different days.

But in all countries the purpose of his one

You should respect and love your mom.

Now let's see the different ways

How to celebrate this wonderful day.

It's roots in the Victorian era in Britain.

In the history of the holiday has been written

That children, who worked from home far away

Could come to home just for one day.

They always gave small gifts to their mothers

And sometimes gave them and to grandmothers.

Very often in this day all give them flowers.

In Australia and the U.S. worn on the clothing cloves,

The children spend a day with their mother,

Doing everything together with father.

In Germany all give them verses in postcards,

Russia to arrange holiday concerts,

In Austria, children learn poems, master gifts,

In Italy, people just give flowers and sweets.

In England, children usually bake

For their mother a special cake.

In Turkey in some cities every Friday this day.

Mother should rest all this day.

This holiday a sort of test for dad.

Family gets up early, bring breakfast in bed.

All organized surprises for Mom

You should love her. She - like a second sun.

That's such a wonderful holiday.

Always remember the Mother's Day

Don't forget to congratulate mom on this day

And no matter how and in what way. http://tea4er.ru/images/fbfiles/files/Batanova_US_Mothers_Day.rar
