When I was little

When I was little,
You cared about me,
You gave me presents,
You very loved me.
When I started to go to school,
You came into my room
And said kinds words,
And kissed me a lot.
When I looked not funny,
You tickled me
And world became sunny,
And I became free.
All my thoughts
I tell to you,
Please, lets laugh
I very-very love you!
Sometimes we are swear
And you, my mum, become sad,
I feel the fear
And helps us my dad.
He makes peace in our flat,
We take our city`s map
And go for a walk on holiday,
And I like this sunny day!
I want to tell you:
Live forever,
I very love you,
Ever-ever.
