Dear Mom

Dear Mom,

Thank you for all

You gave life

You are amazingly beautiful,

And amazingly generous!

You have a good heart

You warm every part of my soul.

You're happy for my success!

You are a star, my darling,

I love you more than anyone

You have warm hands

You have laughter eyes

You have sweet songs

Your songs warm me

Mom - it means love,

She is kindness, goodness,

My Mom means the calmness

It is the joy, the beauty!

My Mom is happy tales

My Mom is the wisdom and advice!

My Mom is a green summer

My Mom is snow and autumn leaves,

Mother - is a ray of light,

Mom – it means a life!
