I want to say "thank you"!

I want to say "thank you"!

If you only know, how much I love you!

Thank you for having brought up and raised.

Thank you for those happiness and joy, that I was cased!

Mother, my dear mother, how much problem I delivered to you,

From Friday to Friday we argued,

But you forgive me all of my sins

And after as in nothing happens you hearing about me everything...

I'm so sorry, so sorry, please, forgive me all of those night,

That you couldn't sleep, cause me and you was in fight...

My mother, my lovely mother, now when I grew up, I can understand how

Difficult it would be without you.

Listen and remember, I LOVE YOU!!!
