You make me smile, when I'm sad.

You hang my body, when I'm bad.

I know you are my angel for all lifelong.

I promise you will never cry at all.

Your hand is warm, when I'm cold

You're always here if I could fall.

You're my God in whole world,

Don't need to tell even one word.

No doubt I feel, you're here, behind

You'll follow steps if I am blind.

My eyes as yours, my hair is brown

I look like mommy and I'm proud.

My mommy is the best I know,

I wouldn't find better her.

Let this be our prayer now

For everybody who has a MOM!
