My mom.

My mom, you're loved by me, it's true.  
I love you like ladybirds love dew.  
I need you like everyone needs air.  
Without you I'm like a plant without care.

My mom, you're so tender, it's clear!  
You're absolutely fair and sincere.  
You're very witty and merry, too.  
It's not a fable, it's all about you!

It's not a lie, you can really do so much!  
Your hands can lull like fairy's touch.  
Your voice cheers up like a tasty sweet.  
Your love makes happy like the Sun makes heat.

My mom, you're loved by me, it's true.  
I wish I could compare with you!
