My mom.

My mom, you're loved by me, it's true.

I love you like ladybirds love dew.

I need you like everyone needs air.

Without you I'm like a plant without care.

My mom, you're so tender, it's clear!

You're absolutely fair and sincere.

You're very witty and merry, too.

It's not a fable, it's all about you!

It's not a lie, you can really do so much!

Your hands can lull like fairy's touch.

Your voice cheers up like a tasty sweet.

Your love makes happy like the Sun makes heat.

My mom, you're loved by me, it's true.

I wish I could compare with you!
