My Dear Mummy

My Dear Mummy is my friend
She always helps me, when I'm sad
My Mummy cheers me up and says
That world is full of happiness.

When I'm ill She doesn't sleep
She really understands all things
Together we discuss my choice
She tells the truth, I love her voice.

My Mum's confident, not noisy
She's caring, friendly, very shy.
You can believe Mum's home-loving,
Artistic, sensitive and kind.

We teach each other
How to live
We cook, do shopping
She's my Queen!

I can rely on Mum, she's known
My secrets, feelings dark and deep
I hang out with my lovely Mummy
We talk about everything.
