Mother

The most favorite person for me
It is you - my dear mother!

We share with you miles,
Days of the week and the year ...
Between you and the winds blow,
But in his mind you are with me always!

Mom, I'm bored ...
Very ... True ...
Come quickly,
Please, right tomorrow.

Collect all the items and let's go home.
The door is always closed in the morning, you open the key.
Well, like, call me, I will go out, meet ...
I wish you were next to me ... forever ...

Mom, I miss you ...
Very ... True ...
I miss you, I'm waiting ...

And hope for tomorrow ... http://tea4er.ru/images/fbfiles/files/Ordinarceva_Valeriya_Mothers_Day.rar
