MY MOTHER

I want to tell you about my mum.

She always is near me.

She looked after me when I was a child.

And now she tries to help me.

We spend much time together

Because she is my best friend.

We discuss our plans for future

Because she knows much.

We often go skiing in winter time.

And in summer we go swimming.

And we spend together much time.

My mother is beautiful.

My mother is wonderful.

I love her best of all.

I wish her good health and happiness.

And I think it isn't enough at all.

Because my mother is the prettiest woman!

And this is my wish to her!

It's not an easy thing to write poems in another language, is it? I think, both your mother and your teacher can be proud of you. I wish you success and best luck.
