Mother's Day.

Mother's Day favorite mom

All the world's gentle words.

I will say that the most happy

Mom was nice!

Stronger than all the world's treasures

I appreciate your kindness!

Let me tell you very much,

For helping me in every way!

I wish you courage and strength,

To overcome all difficulties!

To tread through life beautifully

And good luck for the catch!

Let the health will be strong,

And let you paint a year.

Let you bypass the adversities

Only the sky is always swim ...

And a hundred years, at least,

I wish you to live!

Let your heart is good

And for family and for friends.

All that is conceived, can not let,

And life is getting brighter! http://www.tea4er.ru/images/fbfiles/files/Gladysheva__Anna_Mothers_Day.rar
