Most beloved.

"Mom" - the most important word in your life.
"Mom" - the most important person to you.
Mom will always be there in your life.
Mom will appreciate all that you do.

Mother, my beloved, my dear
You who are the best I have
I want you to have always been here
You are a ray of light that I have

May be, I can be rode to you
Often do not listen to you... but...
Thank you, my dear, that you are me!
Have such a loving mom – happiness for me!
Every moment I think of you;
Regret that now I did not with you.

I want to say thank you for all that you do
Please, always know mom, that I love you!
