My Mom is the best in the world.
I know exactly it is true.
Her hands as if made of gold,
And I will repeat it anew.
She has the most gentle smile,
Radiant hazel kind eyes,
Caring, caressing voice. I'll
Love her with love of size skies.
I try to help my Mother in everything:
Wash dishes, clean the room...
She responds to me to my feeling -
And within me there is bloom.
In our house it's always cozy and calm,
And I love much to listen to Mom's songs
While cleaning the house, as her palm
Braids my hair, and I forget about the wrongs.
My Mother's very fond of natural flowers.
In our house there are many.
Most of all she likes roses of beige colors,
But she would be happy to get any...
Once a year there comes Mother's Day -
Do not forget about your Mom
And make for her pleasant every day,
Then happiness will always come.
