My mother is my friend

My mother is my friend,
She is the best and kind,
So nice and energetic,
She is so calm and bright.

She always tries to help me
In any situation,
Because she understands me
Without any explanation.

She gave me a new life,
I found it fun and quite.
I follow her advice
From morning till night.

Oh, my dear mummy!
I love you very much!
Be helthy, wealthy, happy,
Let's have my cake for lunch.

I wish you the long life,
I wish you the bright sun!
I wish you the blue sky,
Do you want the wings to fly?

Happy mother's day,my darling!
I'm proud of you,that's right!
If only I could support you,
You are always in my heart!

These lyrical lines are so tender, kind and sincere
"She is the best and kind,
So nice and energetic,
She is so calm and bright".
Take care of your mother!
