My dearest Mum!

How are you, my dearest mum?
Why don't you sleep till late at night?
I feel beating loudly your heart,
In the distance you cry «My daughter, welcome!»

You always, my dearest mum,
Look very young for your age.
I would like you to keep for long
The prettiest mum's image.

I remember how tasty
You bake delicious cakes.
My dearest mum, every day,
I discover you as an unknown page.

Don't be nervous, my dearest mum,
If something doesn't go right.
Everything in the world may happen,
But you will always be helpful and bright!

And I will never forget you, just know.
My dearest mum, I strongly
Love your eyes and warm hands,
Your heart is all for me that means!

Let snow melt and troubles touch you never!
Time, it's well known, flies in a hurry forward.
And my dearest mum, you, my honest word,
Will live and be loved for ever!

It's brilliant. The words of your poem are very touching. I think each mother would like to hear these words. Best wishes!
