MY DEAR MUMMY

Thank you for our meeting

Thank you, that I'm not alone

Thanks that I have a father

Thanks that I live in my home.

Thanks that my name is Olga

Thanks that you live in my mind

Thanks that you can help me always

Even when you are so tired

Thanks that you tell me truth only,

But sometimes with me is not easy.

I'm sure in words that I told you

“For you, I will never be busy”.

I love you because every morning

I can see your beautiful eyes

I love you because with you only

Everything is friendly and nice.

It hurts that sometimes, in the future

I will not see your kind face.

I hope this idea is mutual

Nobody can be in your place.

Sorry, sometimes I'm not careful

And I can hurt your loving heart

But after, for me it is painful

To think, that I acted not smart

If I have not seen you for ages

I will always remember your eyes.

I will do my best and nobody

Will ever make you cry.

I love you because you're my mother

I know, you can always hold me

I love that you've met my good father

Thanks for a chance to be.

Well done! You've written one of the most beautiful poem I've ever read!
