Mother's Day

Don't forget about the holiday

That name is Mother's Day.

Our mothers are perfect people

Who remember us being little.

Snow's fallen on the dirty ground,

But a real joy reigns around.

It is our Mother's Day

That people celebrate today.

I want to tell you a nice verse,

I will try to be really terse.

It is about a young boy

Who wants his mum to enjoy...

He hasn't bought a rose

Or some sweets, of course

Because he's forgot about this holiday,

And today he is weeping all day...

When mother's learnt the reason,

She's told her son,

"Know that without a present

You can be for me so pleasant."

After that he's got much knowledge...

Much water has flown under the bridge.

He always sends more than a flower

To his such a loving mother!
