My mum
My mum is always in my heart,
She is my pearl, my soul, my friend.
She is the one who makes my life
Much easy and much worth.

She does a lot of things for me She wispers words of love to me She holds me all the time in heart But it's always full of fears Of how I eat, I feel, I sleep.

She is always there to give a hug And make me laugh and smile, She treats me with respect and love She treats me as her lovely child.

She brought me up the best she can She's taught me like no other, And I am lucky and happy to have Such a good mother.

My mum is always in my heart, She is my pearl, my soul, my friend; I love you my dear mum so much, I will love you forever.
