Mother's Day

Mother, my mother

We so love each other

And always together

In the evening we gather.

My mom is so kind

She usually can finds

The difficult of life.

She is my friend,

She is my band,

She can't me offend.

I so like to spend

With her my weekend.

I love you, my darling, my mother!

She loves me forever,

And can leave me never

As I am a baby for her.

My mammy's so charming,

My mother's so smart,

My mother's the light at night,

My mother's the lives start.

Oh, you are my heart

And I'm only your part.
