Mother's day.

My dear mummy ,you are the best of all,
You are my friend , my soul.
You are a part of my heart,
We will never be apart.

And now I am very thankful ,
For everything you always do for me.
You are attractive and cool,
In spite on you work like a bee.

If good time comes,
Or bad time strikes.
You always share my fate,
You aren't afraid to call a spade.

Your wisdom is endless,
You help anyone thankless.
You are trusty ,you're got great practice,
In dealings , in cooking in the masses.

My dear mummy ,I just want to say,
I love you very-very much.
I want you to be happy ,day by day ,
Be very healthy ,have great starch.
