“My mother”

Who didn't sleep, when you were sick?  
Who played with you, but was so strict?  
And even in a heavy storm  
You felt with her so calm and warm!

So tasty are her pies and cakes!  
The kindest is her lovely face!  
She helps you to escape the troubles.  
Her love to you is boundless.

My mother! Dear mummy! Darling!  
For every child you are an angel!  
You are so strong, you are so charming!  
With you I'm not afraid of danger!

I want you always to be young,  
Healthy, wonderful and nice!  
Let everything for you be fun,  
And wrinkles will be only in your eyes!

You've created this poem with great tenderness.

I think it's a great opportunity of expressing your opinion in a such way. Best wishes!

GREAT! We should always remember the words you've written about mothers "For every child you are an angel"

Happy New Year!
