For our mothers

Mother is the greatest word
With warm and love around the world.
All people honor and respect it,
Though, sometimes, we bring mother troubles a bit.

But our mother forgives us for all.
She doesn't complain and cry at all,
She gives us her care, love and life,
Kind mother for children and brilliant wife!

Mother is busy all day like a bee,
She cooks, go shopping and also you see –
A lot of various household work,
Sometime she hasn't time for rest and walk.

But every minute we feel her warm hands,
Her support, her love and it doesn't depend
Clever you're, strong or weak,
Beautiful, ugly, healthy or seek.

Let's give all amazing words for her,
Give our love, our heart and more.
Don't say rude words, remember it – don't say!
Your mother waits you, loves you and prays!
